‘GOOD HEALTH AND WELLBEING’ CONFERENCE

Goal 3 of the UN Sustainable Development Goals

(<http://www.un.org/sustainabledevelopment/health/>)

DATE: 14th to 16th May 2019

VENUE: Safari Park Hotel, Nairobi, Kenya

The Global Network of Public Health Nursing is delighted to be hosting its 5th International Conference in Kenya from 14th to 16th May 2019. With an amazing line up of keynote speakers (please visit <https://bit.ly/2SEGHfP> for further details), this is the MUST ATTEND event for all public health nurses.

Aiming to provide delegates with an opportunity to present and learn about new evidence-based knowledge concerning health systems/services/practice to enable public health nursing to contribute to the achievement of the targets of Goal 3 of the UN Sustainable Goals. Over the course of three days, our objectives are to allow delegates time to discuss and formulate plans to implement possible changes in their countries/local health systems, enable networking opportunities for delegates with international colleagues, participate and represent public health nursing on international health policy groups and forums and promote the Global Network of Public Health Nursing.
