

# 7th International GNPHN Conference

*Building Resilience and Innovative Solutions:  
Amplifying Impact and Advancing Positive Global  
Public Health Change*

**July 28 - 30, 2025. Calgary, AB, Canada**

Co-hosted by

**UNIVERSITY OF CALGARY**  
FACULTY OF NURSING

## CONFERENCE PROGRAMME

[www.gnphn.com](http://www.gnphn.com)

# Global Network of Public Health Nursing

Connecting public health nurses: transforming communities

Are you a public health nurse looking to expand your professional network and access valuable information?

## Join our unique community to:

- Connect with a vibrant community of like-minded professionals dedicated to advancing public health nursing
- Access to educational information and forums for sharing best practices
- Stay updated on the latest global public health nurse initiatives
- Enhance your skills to make a meaningful impact in your community

# Monday 28 July 2025

Time	Subject	Room
08:00	Breakfast	A. Ballroom
	Registration	E. Foyer
	Set up: Exhibition and posters	F. MacHall A/B
09:00	Opening ceremonies	A. Ballroom
09:45	Transition and announcements	A. Ballroom
10:00	Mental health and wellness drop in & activities (available until 14:00)	G. That Empty Space
10:00	<b>KEYNOTE: Nursing power to change the world</b> <i>Howard Catton   CEO, International Council of Nurses</i>	A. Ballroom
10:45	Break   Exhibition opens (open daily from 08:00 to 17:00)	E. Foyer
	Silent Auction opens	F. MacHall A/B
<b>11:00</b>	<b>CONCURRENT SESSION #1</b>	
Option A	i. A national training plan to build public health nursing capacity for breastfeeding support   <i>Helen Mulcahy MSc DN   Senior Lecturer Community Health, School of Nursing and Midwifery, University College Cork</i>	A. Ballroom
	ii. The New Families project – a universal home visiting program - research results   <i>Kari Glavin MNS, PhD   Professor, VID Specialized University</i>	
	iii. Continuous support from the same public health nurse and parental satisfaction with maternal and child health services: a retrospective observational study   <i>Yoshie Yokoyama PhD   Professor, Osaka Metropolitan University</i>	
Option B	i. Exploring the knowledge, attitudes, and practices of registered nurses towards climate-driven vector-borne diseases   <i>Shannon Vandenberg RN PhD, INstructor, University of Lethbridge</i>	B. Cassio
	ii. Application of the Public Health Intervention Wheel to PHN Practice in the Indian Health Service   <i>Marjorie Schaffer, PhD, RN, PHN, Retired</i>	
	iii. Public health center for boys   <i>Per Arthur Andersen, Public Health Nurse, Bydel Frogner</i>	
Option C	i. School students experience being exposed, seen, and heard using structured questionnaires for health dialogues   <i>Thomas Westergren PhD, Professor, University of Stavanger</i>	C. Escalus
	ii. Core Competencies for Public Health: Governance for the Canadian context   <i>Claire Betker PhD, Scientific Director, National Collaborating Centre for Determinants of Health</i>	
	iii. Building positive leadership skills for public health workforce in the post-COVID era   <i>Tammy Troute-Wood RN MN, Provincial CDC Guidance &amp; Training Team, Alberta Health Services</i>	
Option D	iv. Nurses caring for nurses: Building a foundational mental health & wellness clinic within a Faculty of Nursing   <i>Sandy Johannson NP, University of Calgary</i>	D. Bianca

Time	Subject	Room
12:00	Lunch	A. Ballroom
	White Hat ceremony	
13:00	<b>SYMPOSIUM:</b> Core Competencies of PHNs – Commonalities and Differences in Countries (until 14:45)	A. Ballroom
	<b>DEEP DIVE:</b> Mission possible - Closing the immunization gap with First Nations in Alberta, 2008-2025   <i>Presented by OKAKI</i>	B. Cassio
	<b>TOUR:</b> Faculty of Nursing Clinical Simulation Learning Centre & Nurse Practitioner Clinic (90min)	E. Foyer
	<b>POSTER PRESENTATIONS</b> - see page 11	F. MacHall A/B
<b>13:45</b>	<b>CONCURRENT SESSION #2</b>	
Option A	Continued: Symposium: Core Competencies of PHNs – Commonalities and Differences in Countries	A. Ballroom
Option B	i. Impacts, Scale, and Spread of the Attachment and Child Health (ATTACHTM) Parenting Program   <i>Nicole Letourneau PhD RN, University of Calgary</i>	B. Cassio
	ii. A scoping review of planetary health in nursing   <i>Shannon Vandenberg RN PhD, Instructor, University of Lethbridge</i>	
	iii. The Evaluation of a Domestic Abuse Response Team Program in an Emergency Department   <i>Stefan Kurbatfinski BSc, Student, University of Calgary</i>	
Option C	i. Undergraduate Student showcase	C. Escalus
Option D	i. <b>World Café:</b> Understanding and developing concepts of family resilience   <i>Michelle Teresa Thomas, Senior Lecturer, University of South Wales</i>	D. Bianca
14:45	Break   Exhibition	E. Foyer
15:00	<b>TOUR:</b> Faculty of Nursing Clinical Simulation Learning Centre & Nurse Practitioner Clinic (90min)	E. Foyer
	<b>Networking Event and Fireside Chat with Keynote Speakers</b> [preregistration required; additional \$50]	A. Ballroom
<b>END OF DAY ONE</b>		

# Tuesday 29 July 2025

Time	Subject	Room
08:00	Breakfast	A. Ballroom
	Information table	E. Foyer
	Exhibition opens	F. MacHall A/B
09:00	<b>KEYNOTE: Nursing retention toolkit</b> <i>Leigh Chapman RN PhD,   Chief Nursing Officer, Health Canada</i>	A. Ballroom
09:45	Transition and announcements	A. Ballroom
10:00	Mental health and wellness drop in & activities (available until 14:00)	G. That Empty Space
<b>10:00</b>	<b>CONCURRENT SESSION #3</b>	
Option A	i. Co-creating neuroinclusive resilience and workforce capacity in clinical learning environments with autistic student nurses - A pilot project   <i>Jo Sullivan PhD Student, Associate Professor, University of Salford</i>	A. Ballroom
	ii. Using public health nursing skills to enhance community engagement in a breastfeeding support initiative in underserved populations   <i>Helen Mulcahy MSc DN, Senior Lecturer Community Health, School of Nursing and Midwifery, University College Cork</i>	
Option B	i. Strategies to implement guideline recommendations in the school health services: A randomized factorial trial   <i>Malene Brekke PHN, MSN, PhD, Associate Professor, VID Specialized University / Centre for Child and Adolescent Mental Health, Norway</i>	B. Cassio
	ii. Expert to novice: the challenges of the transition to the UK Specialist Community Public Health Nurse (Health Visitor) role and its implications for workforce development   <i>Lorraine Henshaw DProf, MSc, RN, Associate Professor Children and Young Peoples Nursing, University of Salford</i>	
Option C	i. Developing a self assessment tool for family resilience   <i>Michelle Teresa Thomas, Senior Lecturer, University of South Wales</i>	C. Escalus
	ii. Conceptualizing the commercialization of human milk: A concept analysis   <i>Heather Rusi MHDFS, MIHMEP, BN, BComm, RN, Doctor of Nursing Student, University of Calgary</i>	
Option D	i. Tools for self-care & emotional regulation   <i>Sandy Johansson NP, University of Calgary</i>	D. Bianca
10:45	Break   Exhibition	E. Foyer

Time	Subject	Room
11:00	CONCURRENT SESSION #4	
Option A	i. Recent research into child and family health nursing practice: Global collaboration opportunities   Louise Wightman RN RM MLM PhD, Sessional Academic, Clinical Nurse Specialist Child and Family Health, Flinders University	A. Ballroom
	ii. Still swimming against the tide? An exploration of Canadian Social Determinants of Health Public Health Nurses’ (SDH-PHNs’) experiences in role enactment   Claire Betker PhD, Scientific Director, National Collaborating Centre for Determinants of Health	
	iii. Re-imagining Community Health Nursing in Kenya, to address primary prevention of NCDs within Workplace Health Promotion milieu   Isabel Kambo PHD, MPH, BSN, Lecturer, Aga Khan University, Kenya	
Option B	i. Risk factors associated with birth asphyxia among newborns at Pumwani Maternity Hospital: a case control study   Ruth Wagathu PhD (c), MScN, Aga Khan University	B. Cassio
	ii. Unveiling Healthcare Workers’ Knowledge about Ageism in Nigeria and the Need for Training Next Generation of Caregivers   Assumpta Ude APRN, PhD, Lead Researcher, International Society of African Bioscientists and Biotechnologists	
	iii. Strengthening health systems to support family resilience in India   Anitha Livingstone, Senior Lecturer, University of South Wales	
Option C	i. A Qualitative Study on the Reality of Mutual Support Among Residents in an I-Turn District with a High Elderly Population   Yoshiko Ohno, Public Health Nurse, PhD, Professor, Gunma University of Health and Welfare	C. Escalus
	ii. The experience of mothers with high levels of depression participating in a continuous nurse home-visiting program   Yeonjae Jo PhD, Professor, Kyungil University	
	iii. Is decolonization necessary in public health nursing education? Reflections on early Korean history   Kyung Ja June PhD RN, Professor, Soonchunhyang University	
Option D	i. Public health nursing education, training and regulation for practice in the global context - Results of a recent GNPHN survey   Malene Brekke PHN, MSN, PhD, Associate Professor, VID Specialized Univeristy / Centre for Child and Adolescent Mental Health, Norway	D. Bianca
12:00	Lunch   Exhibition	A. Ballroom
	Sponsor Presentation: Merck - HPV disease prevention: What you need to know   Dr Angel Chu MD FRCPC	
13:00	DEEP DIVE: Transdisciplinarity in Action: Catalyzing Public Health Innovation   Sue Crawford MN RN BN BSc, Dr. Christiane Job McIntosh, PhD MA BA, Nynke Van Den Hoogen, MSc PhD, Dr. Jessalyn Holodinsky, PhD	A. Ballroom
	DEEP DIVE: A multimodal approach to health behaviour change   Teresa Tang, CEO, Madison Fullerton and Kara Patterson, Praxus Health	B. Cassio
	TOUR: Faculty of Nursing Clinical Simulation Learning Centre & Nurse Practitioner Clinic (90min)	E. Foyer
	POSTER PRESENTATIONS - see page 12	F. MacHall A/B

Time	Subject	Room
13:45	<b>CONCURRENT SESSION #5</b>	
Option A	<b>THINK TANK:</b> Role of nurses in mitigating the impact of climate change on population health outcomes   <i>Salimah Walani RN PhD, Dean, Aga Khan University of Nursing and Midwifery, Pakistan and Shahin Kassam PhD, RN, Postdoctoral Research Fellow, University of British Columbia</i>	A. Ballroom
Option B	i. The Public Health Intervention Wheel is a tool for nurse students' understanding of public health work in the community, both in theory and practice   <i>Kristina Carlén PhD, Senior Lecturer in Public Health, RN, School nurse, District nurse, University of Skövde</i>	B. Cassio
	ii. Standardised maternal postnatal care in the Public Health Nursing Service in the Republic of Ireland   <i>Sinead Lawlor RGN RM PHN, Health Service Executive Ireland</i>	
	iii. Decent work: Four roles for nurses to address precarious employment as a social determinant of health and health equity   <i>Claire Betker PhD, Scientific Director, National Collaborating Centre for Determinants of Health</i>	
Option C	i. Transdisciplinary Work Integrated Learning: An Innovative Approach to Virtual Clinical Practice   <i>Stacy Oke MSN RN CCHN(C) CCNE, Assistant Professor, Teaching, Faculty of Nursing, University of Calgary</i>	C. Escalus
	ii. Building collective resilience to advance global public health through interdisciplinary collaboration   <i>Josephine Etowa PhD, RN, RM, FWACN, FAAN, FCANFCAHS, Professor and Canada Research Chair Tier 1, School of Nursing, Faculty of Health Sciences, University Of Ottawa</i>	
	iii. Development of an ultrasound hip screening education program for nurses in the effort to detect developmental dysplasia of the hip   <i>Kyoko Yoshioka-Maeda PhD., RN, PHN, Associate Professor, The University of Tokyo</i>	
Option D	i. <b>World Café:</b> Fostering a strong virtual culture for remote workers   <i>Tammy Troute-Wood RN, MN, Provincial CDC Guidance &amp; Training Team, Alberta Health Services</i>	D. Bianca
14:45	Break   Exhibition	E. Foyer
15:00	GNPHN Annual General Meeting	B. Cassio
16:00	Indigenous Experience (traditional dancing): The Starlight Family	A. Ballroom
<b>END OF DAY TWO</b>		

# Wednesday 30 July 2025

Time	Subject	Room
08:00	Breakfast	A. Ballroom
	Information table	E. Foyer
	Exhibition opens	
09:00	<b>KEYNOTE: From Awareness to Action: A Decade of Igniting Global Movement for Congenital Anomalies (2014-2024)</b> <i>Salimah Walani RN PhD, Dean, Aga Khan University of Nursing and Midwifery, Pakistan</i>	A. Ballroom
09:45	Transition and announcements	A. Ballroom
10:00	Mental health and wellness drop in & activities (available until 14:00)	G. That Empty Space
<b>10:00</b>	<b>CONCURRENT SESSION #6</b>	
Option A	i. Advancing Health Equity Using Intersectionality Environmentalism: An Exemplar with Women Living at the Epicentre of Climate Crises, Racism, Gender-Based Violence & Migration Status   <i>Shahin Kassam PhD, RN, Postdoctoral Research Fellow, University of British Columbia</i>	A. Ballroom
	ii. Memory, meaning, and making: Integrating the arts into equitable public health nursing practice   <i>Julie Burns RN MAAiM BN CCHN(C) CCNE CCCI, Nursing Instructor, University of Calgary</i>	
Option B	i. A study on the interpretation of the concept of child rearing   <i>Ozeki Yumi, Public health nurse, Nihon University</i>	B. Cassio
	ii. Mapping the needs of public health professionals in child and adolescent health promotion services   <i>Marit Müller DeBortoli RN, PhD, Researcher, Norwegian Institute of Public Health</i>	
Option C	i. "Full to the brim" - Taking an ethnographic stance in evaluating the supportive nature of safeguarding supervision in health visiting practice   <i>Michelle Moseley BSc, MSc, PhD, Director of Programmes (Learning and Development), Institute of Health Visiting</i>	C. Escalus
	ii. Learning Outcomes of Nursing Students from Narratives of Community-Dwelling Patients with Psychosis: An On-Campus Practice During the COVID-19 Pandemic   <i>Akiko Mizuta PhD, Research Fellow, Hamamatsu University School of Medicine</i>	
Option D	i. Building intergenerational resilience through exploring the perspectives and experiences of Black seniors and youth on mental health   <i>Gbemisola (Bemi) Lawal, Asst. Prof., University of Calgary</i>	D. Bianca

Time	Subject	Room
10:45	Break   Exhibition	E. Foyer
<b>11:00</b>	<b>CONCURRENT SESSION #7</b>	
Option A	i. Advancing public health nursing practice in Canada: A national PHN postgraduate program   <i>Genevieve Currie PhD, Associate Professor, Mount Royal University</i>	A. Ballroom
	ii. Raising happy, healthy children together – changing practice and systems in a UK health visiting service   <i>Dr Cheryl Adams CBE, GNPHN Chair and Founder of the Institute of Health Visiting</i>	
	iii. Updating the Core Competencies for Public Health in Canada: Using a Modified Delphi Process to test agreement and Gain Feedback   <i>Clare Betker PhD, Scientific Director, National Collaborating Centre for Determinants of Health</i>	
Option B	i. Preparing current and future nurses to address climate-driven vector-borne disease   <i>Shannon Vandenberg RN PhD, Instructor, University of Lethbridge and Amanda Egert RN, MSN, CHSE, CCSNE, CCNE, BSN Manager</i>	B. Cassio
	ii. Abiding by primary health care and health equity: Exploring diverse public health nurses' insights and constraints during the COVID-19 pandemic in Ontario, Canada   <i>Margaret Lebold MScN, PhD(c), Graduate Student (Public Health Nurse), York University</i>	
	iii. Effect of Healthy Ageing Clinic and Health Insurance Program on Accessibility and Affordability of Health Care among Older Persons in Nigeria Communities   <i>Amara Chizoba MPH, PhD, Co-Researcher, Mission to Elderlies Foundation, Nigeria</i>	
Option C	i. Parents' experiences with answering electronic questionnaires   <i>Trine Holme MSc, Ph.D Student, University of Agder, Norway</i>	C. Escalus
	ii. Addressing Microaggressions: Anti-Racism Practice in Public Health   <i>Naika Thomas BscN, MPH, RN, Health Equity Specialist, Ottawa Public Health</i>	
	iii. Promotion of digital media balance and mental health with a school-based program   <i>Kristina Carlén PhD, Senior Lecturer in Public Health, RN, School Nurse, District Nurse, University of Skövde</i>	
Option D	i. The Climate-Health Nexus: Shaping Adaptation and Resilience (via Zoom)   <i>Dr Jai K Das, Associate Director, Institute for Global Health and Development and Associate Professor for the Division of Women and Child Health at the Aga Khan University, Karachi.</i>	D. Bianca
12:00	Lunch   Exhibition	A. Ballroom
13:00	<b>DEEP DIVE:</b> Optimizing global perinatal mental health through multiple-collaborative partnerships: Prioritizing local voices while engaging in global health and implementation research   <i>Dr Aliyah Dosani BN MPH PhD, RN FCAN, Professor and Distinguished Faculty, School of Nursing and Midwifery, Mount Royal University and Josephine Etowa PhD, RN, RM, FWACN, FAAN, FCANFCAHS, Professor and Canada Research Chair Tier 1, School of Nursing, Faculty of Health Sciences, University Of Ottawa</i>	A. Ballroom
	<b>DEEP DIVE:</b> Disentangling myths and misconceptions about intimate partner violence among sexual and gender minorities: An initial step to enhancing service delivery, health equity, and health policy   <i>Stefan Kurbatfinski BSc, PhD Student, University of Calgary</i>	B. Cassio
	<b>TOUR:</b> Faculty of Nursing Clinical Simulation Learning Centre & Nurse Practitioner Clinic (90min)	E. Foyer
	<b>POSTER PRESENTATIONS</b> - see page 13	F. MacHall A/B
13:45	Silent auction closes	F. MacHall A/B

Time	Subject	Room
13:45	<b>CONCURRENT SESSION #8</b>	
Option A	<b>THINK TANK:</b> TITLE TBC - Tracy Risling, President-Elect   Canadian Nurses Association	A. Ballroom
Option B	i. Results from an observational and interview study: Parental experiences from home visits in the New Families programme   Kari Glavin MNS, PhD   Professor, VID Specialized University	B. Cassio
	ii. The work of Public Health Nurses in catch-up immunization: the seen and unseen of program implementation   Eunah Cha BScN RN, Research Assistant, Applied Immunization (Almm)	
	iii. How Whiteness Shapes Nursing in Canada – What Does the Literature Say? A Rapid Review   Clare Betker PhD, Scientific Director, National Collaborating Centre for Determinants of Health	
Option C	i. Navigating the eRegister implementation landscape for Evidenced Based Midwifery practice in Lesotho: A SWOT analysis   Euphemia Mhlongo (via Zoom)	C. Escalus
	ii. Development of Health Promotion Policy Fellowship: Required Competencies, Admission and Completion Requirements, and Implementation Process   Jonathan Guevarra RN, RM, MAN, PhD, Professor, College of Public Health, University of the Philippines Manila (via Zoom)	
	iii. Mining through pandemic crisis: a systematic review of the impacts of COVID-19 management strategies on mining industries in West Africa and Western Australia   Esther Ayaaba (via Zoom)	
Option D	i. <b>World Café:</b> Let's talk about what will be required of public health nurses to achieve universal health coverage!   Dr Eri Osawa, Chief Senior Researcher, National Institute Of Public Health, Japan	D. Bianca
14:45	Break   Exhibition	
15:00	Closing Ceremonies	A. Ballroom
<b>CONFERENCE CLOSE</b>		

#	Title	Author	Position
P01	A case study on public health nurses' heat stroke prevention activities during natural disasters in the "new normal" of extreme heat	Noriko Hatakeyama, MSN, PHN	Senior Researcher, National Institute of Public Health
P04	Working in the child's best interest? An ongoing study of confidentiality and information sharing in interprofessional collaboration for children, youth, and families	Eline Svenneby Halvorsen, public health nurse	Ph.d fellow, VID Specialized University, Norway, Oslo
P07	Typology of employment quality and corresponding health status differences among Korean workers	Bohyun Park, PhD	Professor, Changwon National University
P10	Adverse Childhood Experiences and Non-Suicidal Self-Injury among Korean adolescents - Exploring the Moderating Role of Social Support -	Jungok Yu, PhD, RN	Professor, Dong-A University
P13	Factors Associated with Isolation of Elderly Recipients with Public Assistance	Yukari Maeno, associate professor	Factors Associated with Isolation of Elderly Recipients with Public Assistance, Kyushu university
P16	Effects of tobacco smoking on chronic obstructive pulmonary disease in patients with Parkinson's disease in Japan	Takako Fujita, PhD, MPH	Assistant Professor, Kyushu University
P19	Current status and issues of developmental screening during infant health examinations in Japan—Focus on 5-year-olds' health checkups	Keiko Fujimoto, Public health nurse	Specially Appointed Lecturer, Kobe City College of Nursing
P22	The association between functional capacity and the changes in rural social capital due to the COVID-19 pandemic among Japanese older adults aged 75 years and over	Chiyo Inoue, PHN, RN	Associate Professor, Graduate school of Health Sciences, Niigata University, Niigata Japan
P25	Emotional and Instrumental Support to Improve the Care Management Skills of Care Managers: A Cross-Sectional Study	Kazuki Yoshida, PhD	Professor, Iryo Sosei University
P28	Process leading to discontinuation of breast-cancer screenings among middle aged and older women in Japan	Rie Matsui, PhD	Assistant Professor, Gunma University
P31	Factors associated with the length of health consultation time by public health nurses during health checkups for children at the Public Health Center of Kure City in Hiroshima, Japan	Yui Yumiya, RN, PHN, MPH, PhD	Assistant Professor, Hiroshima University

#	Title	Author	Position
P05	The Public health nurse's scepticism about participating in a study on interaction guidance in child health services- From resistance to a desire for guidance	Kari Glesne Ugland, PhD candidate	Public Health Nurse, The University of Stavanger, Norway
P08	Effectiveness of Lifestyle Improvement Support Program Using Strengths Perspective (Report 1)	Miyuki Tada, PhD	Assistant Professor, Institute of Biomedical Sciences, Tokushima University, Graduate School
P11	Effectiveness of Lifestyle Improvement Support Program Using Strengths Perspective (Report 2)	Reiko Okahisa, PhD	Professor, Tokushima University
P14	The effectiveness of School Nurse-based interventions in improving child uptake rates of the Human papillomavirus [HPV] vaccine.	Vanessa Guest, MSc, PG-Dip, BSC	Mrs, The University of Salford
P17	Instructors' use of metacognition in public health nursing practicum	Yuko Ushio, PhD	Professor, Yamaguchi University
P20	Interview Survey on Multi-Occupational Collaboration Among Individuals Providing Residential Environment Support for Hoarders in Japan	Yasuko Aso, Dr.	professor, Wayo Women's University □Japan,
P23	Japanese Public Health Nurses and Cross-Cultural Care: Lessons from the Field	Mariko Sakamoto, RN,PHN,Phd	Professor, PhD, Aichi Medical University, College of Nursing
P26	Current Status and Challenges in Understanding Family Caregivers Caring for Older People While Raising Children in Japan: A Literature Review	Kimi Sugiyama, PhD	Junior Associate Professor, Mie Prefectural College of Nursing
P32	Family planning decision-making process among Japanese women with severe mental illness: A qualitative study	Masako Kageyama, PhD	Professor, Osaka University
P35	Building better programs: Insights from a process evaluation of a shared site intergenerational program	Diana Snell, MN, RN, CCNE, CCSNE	Associate Professor (Teaching), University of Calgary

#	Title	Author	Position
P03	Human Resource Development System for Newly Appointed Public Health Nurses in Municipalities in Niigata Prefecture: Comparison by Population Size	Miyuki Sato, PhD	Professor, Niigata University
P06	Effects of health education video for managers to promote mental health help-seeking among workers in small and medium-sized enterprises: Protocol of a single-case experimental design study	Susumu Fukita, PhD	senior researcher, National Institute of Public Health
P12	Health education in India and Norway: improving learning outcomes through student exchange, teacher involvement and virtual mobility (HEIN).	Elisabeth Hansen, phd	professor, University of South -Eastern Norway
P15	A Study on Improvement of Public Health Disaster Response Guide (PHDRG) Based on the Characteristics of Community Health Issues in the event of an Earthquake in Japan	Hiroko Okuda, Public Health Nurse	Chief Senior Research Officer, National Institute of Public Health
P18	Dietary Behaviors Associated with Changes in HbA1c Levels in National Health Insurance Beneficiaries in Japan	Kimi Sugiyama, PhD	Junior Associate Professor, Mie Prefectural College of Nursing
P21	Association between social media use and postpartum depression among new mothers in Japan	Haruka Tamura, MSN, RN, PHN	PhD candidate, Nagoya university
P24	Work Engagement and Related Factors among Public Health Nurses Recruited during the COVID-19 Pandemic for Municipalities in Niigata Prefecture, Japan	Taichi Narita, PhD	Associate Professor, Niigata University
P27	Relationship between relative poverty and daily screen time in 3-year-olds in Japan	Yasue Ogata, PHN	Assistant Professor, Bukkyo University
P29	Determinants of Dietary Variety Score among the late elderly living in a rural village in Japan.	Seiko Tanabe, PHN, RN	Lecturer, Nagaoka Suto-ku University, Nagaoka Niigata, Japan
P30	Construction of a Family Empowerment Model for parents with young children by simultaneous multiple populations analysis: An examination by age of children	Miki Sato, PHN, PhD	Chief Senior Researcher, National Institute of Public Health
P33	Spiritual needs of clients who lived their end-of-life at home	Yuko Sasaki, Public Health Nurse	Spiritual needs of clients who lived their end-of-life at home, Aichi Medical University College of Nursing
